What an awesome experience. The snorkelling was really amazing - so many fish - so much coral. And the Sand Tobogganing was so much fun - thank you Sunset Safaris

Claudia, Bogota Colombia

I was so happy to see shipwrecks fish and coral in your clear boats. I cannot swim, so this let me see underwater really easily. I never imagined it could be so beautiful. I enjoyed feeding fish most, but sandboarding was also fun. Joshua helped me a lot - thank you. :-)

Yuri, South Korea

... With snorkelling, near where the ship wrecks are, the underwater environment was amazing. There are so many fish even I felt like I am in the aquarium... I have been to Cairns and Hanauma Bay in Hawaii but definitely more fish here.
